EXPERIENCE

Full-Stack Developer at PLV | Valenzuela City, Philippines (Contract)   Mar 2024 – Jul 2024

- Developed a full-stack web application to manage student affairs and judicial cases at Pamantasan ng Lungsod ng Valenzuela
- Created user-friendly UI interfaces using ReactJS with Tailwind CSS, enhancing user interaction and visual appeal
- Created APIs and microservices using ExpressJS and NodeJS for maintainable and scalable backend processes
- Implemented CI/CD pipelines using GitHub Actions for automated and efficient deployment workflows
- Assisted in testing QA environments, identifying and resolving bugs to maintain product quality
- Played a crucial role in development and maintenance of security of the web application

Junior Web Developer at APD | Makati City, Philippines (Contract)   Oct 2023 – Nov 2023

- Optimized front-end components with ReactJS and APIs with NodeJS, ensuring seamless data flow and system functionality
- Developed user-friendly UI interfaces by combining ReactJS framework with Bootstrap framework, improving user interaction and visual appeal
- Assisted and led the team in review of pull requests, offering valuable insights and feedback to elevate code quality and ensure maintainability
- A leading force when it comes to implementing CI/CD pipelines using GitHub Actions for automated and efficient deployment workflows
- Collaborating with nationally diverse teams, improving both soft skills and technical skills

Web Development Intern at APD | Makati City, Philippines (Internship)   Jun 2023 – Oct 2023

- Conceptualized, maintained, and enhanced BPI-AIA, AIA-PH, and AIA-TH websites
- Utilized JavaScript, ReactJS, HTL, CRXDe, and Adobe Experience Manager to develop user-friendly, high-quality components
- Worked closely with designers, project managers, and fellow developers to deliver high-quality code and components for clients
- Created extensive technical documentation, performed performance testing, and outlined development procedures in a comprehensive manner
- Nominated as Outstanding Developer of the Month 2x (June - July) (September - October)

EDUCATION   Jun 2020 - Aug 2024

Bachelor of Science in Information Technology | *Pamantasan ng Lungsod ng Valenzuela*

- **Cum Laude** | Dean's Lister Awardee   2020-2024
